

Rookie Inspiration Award

Montclair Society of Engineers Qualifying Tournament
November 21st, 2015

This award celebrates a rookie team's outstanding success in advancing respect and appreciation for engineering and engineers, both within their school, as well as their community. This team is on the right track, and definitely loves STEM!

These super felines inspire us all.
They are fierce competitors who just get it!
Get out of their way, they are here to stay!
