

Over the upper school's February break the boys basketball team was hard at work on the court practicing for the first annual NJCSAL (New Jersey Charter School Athletic League) playoffs. The boy's finished 2nd in the regular season for our charter school league play. A second place finish earned our team a bye for the first round playoffs which allowed us to advance to the semi-finals on February 18th in Camden, NJ vs. Camden Charter High School. Hoboken Charter came away with the win 82-71 advancing us into the championship game on February 20th vs undefeated Paulo Freire Chrater School in Newark, NJ. Having played Paulo Charter school twice in the regular season and losing both games by single digits, there was no doubt that our team was going to come out with a little extra motivation and desire to win! The boys saved their best basketball for one of the most important games of their season and came away with the NJCSAL Championship in a convincing 72-59 win!

Congratulations to Tyreek Rice for being selected the MVP of the post season and Tyquon Hines and Tavian Frazier on being named to the 1st team All Tournament team.
