Dr. Loretta Bellina, Interim Executive Director
Morton Mark, Business Administrator/Board Secretary

Reading of the Open Public Meeting Statement

The New Jersey Open Public Meeting law was enacted to ensure the right of the public to have advance notice and to attend the meetings of public bodies at which any business affecting their interests is discussed and acted upon. This is a public meeting of the Board of Trustees of the Hoboken Charter School. At the public meeting action will be taken on a variety of motions.

In accordance with the requirements of the Sunshine Law, the meeting was announced on June 30, 2017 at City Hall and the City Clerk's Office on Washington Street and by advertisement in the *Hoboken Reporter* and the *Jersey Journal*.

Approve Minutes

Minutes of the previous public Board meetings held October 17, 2017 are available for review and/or correction and approval.

I move that the minutes of the Hoboken Board of Trustees Meeting on October 17, 2017 be approved.

Moved by _____ Seconded by _____

Action taken _____

Public comment/questions on agenda items for the meeting

A 15 minute period of time is provided for the public to ask questions on agenda items or make statements to the Board of Trustees. If there are many speakers, the chair will ask for a 3 minute speaking limit per speaker. The Board may extend the public comment portion by motion if necessary.

Presentations:

Darren Fusaro, Isabel Del Corral and Chuck DeMeola – Auditors
Elizabeth Niesz – Measures of Academic Performance Overview

- February 19-21 – February Break
- February 27 – Board Meeting at 7:00 PM at 360 First Street

Executive Director’s Report

Upper School Report

8th Grade Move Up Day - On Friday, November 3rd all 8th graders from Hoboken Charter School, Elysian and several students from HoLa attended the 8th Grade Move Up Day program at HCS Upper School. Students arrived to the multi service center for a rainbow bagel breakfast, followed by mock schedules at our Upper School where every student had the opportunity to hear from every teacher and see the space.

Freshmen for a Day Program - Hoboken Charter School invites 8th graders to come and spend the morning with us, getting a true look at what being a student here is like. We pair the 8th graders up with current 9th graders and they follow the 9th graders schedule. Students spend from 8:10am to 12:01pm with us and are then dismissed with a HCS class of 2022 shirt. Thus far we have had 7 students from Learning Community Charter School, Golden Door Charter School, Lincoln School in North Bergen - we anticipate several more before applications are due.

Congratulations to the Upper School’s “Students of the Month” for October 2017

- 9th Grade - Alyssa Vargas
- 10th Grade - Hadeer Elalfy
- 11th Grade - Travon Merritt
- 12th Grade - Kareem Parker

A K – 12 SERVICE LEARNING SCHOOL

In recognition of School Violence Awareness Week (October 16-20), representatives from the Hoboken Police Department spoke to the Upper School staff about prevention and awareness of school-related issues stemming from social media. This information was then “turn-keyed” to our students through our student-advisory program.

Congratulations to Meghan Ryan, HCS-Upper School counselor, who was recently named as President of the Hudson County School Counselors Association.

On October 27th, the Upper School’s service-learning club, GenerationOn, hosted a movie day. Students were invited to an after-school showing of “A Girl Like Her”. This film deals with timely topics of bullying, harassment, and intimidation in schools. Our school counselor, Meghan Ryan, and social worker, Heather DeSimone, were available to discuss some of the topics/issues that were addressed in the film. Congratulations to 12th grader Michael Nieves who was named as the TRUE Mentors’ “Match of the Month”

Throughout the month of October, the Upper School’s service-learning club, GenerationOn, created a program to help create a healthier and friendlier community. This school-wide program, entitled “Take What You Need” provided our students with a tangible way to see and choose what value or character trait that they may need to get through the day. Staff members also allowed students who were misbehaving or having a rough day to tear off a word from the posters. By allowing them to do this, students became more aware of their mindset, and with staff and student assistance took the initiative to “find” that value. Congratulations to the Upper School’s Girls Volleyball team that placed second in the Passaic Arts High School’s end-of-season volleyball tournament.

For the first time, the Upper School, in conjunction with our middle school, will be fielding a robotics team. At their first two meets, they have made it to the final round each time. Our students have dedicated countless hours to building a robot that is competitive at the state level. Despite 7am meeting times on Saturday mornings, eight students have consistently participated in the events. This and the “Girls Who Code” club are part of the Upper School’s efforts to increase girls’ participation in STEM activities. Ms. Baird’s 11th grade Environmental Science classes have spent four days researching alternative energy sources and how they work (ex: geothermal, wind power, solar power, etc.), where NJ gets most of its energy from, and ways that energy can be saved at home. They created informational pamphlets and presentations. Once all of the research was completed and the pamphlets were finalized, they went to the lower school where the juniors split into stations around the room. In these stations, the 11th graders presented to the 7th and 8th graders about alternative energy sources and ways to save energy.

Lower School/Middle School Administrative Reports

On Saturday, October 28, 2017, members of the Hoboken Charter School Middle School Math Team, under the leadership of Mr. Kunkel, competed in the iLearn Math Contest at Princeton University. At the end of the group round, HCS was one of the top 10 teams and was able to send a representative to compete individually in a fast paced challenge in front of the entire audience. There were over 160 students competing in the challenge, so this was quite an achievement.

A K – 12 SERVICE LEARNING SCHOOL

On Monday, October 30, the eighth grade class, under the guidance of Maria Diaz, put on a bake sale and online campaign to support hurricane relief efforts in Puerto Rico. The class has met their goal of raising \$1000 to buy two generators for the island.

On Friday, November 3, the eighth graders, along with eighth graders from HoLa and Elysian, visited the Upper School to learn more about the Upper School program.

The HCS First Tech Challenge (FTC) Robotics Team competed on Saturday, November 4, 2017 for the “Havoc on the Hudson” meet at High Tech High School. This was the team’s first meet and despite being rookies, the team earned third seed of sixteen teams and made it through the elimination matches to the finals. The Robotics Team is a cross-program collaboration between our Middle and Upper Schools, led by Mr. Kunkel and Mr. Greif. The team will next compete altogether on December 2, 2017 at Central Jersey College Prep Charter School.

Matthew Persico, 7th and 8th grade humanities teacher, won the first place Kidsbridge Character Education Leadership Award. This award recognizes a New Jersey teacher for outstanding character education and bullying prevention leadership in their school. Mr. Persico will be honored at the Kidsbridge Humanitarian Awards Celebration this winter.

Over the weekend of November 4-5, K-8 art teacher and coordinator of service learning SK Duff was profiled on the "Sports Stars of Tomorrow" TV program, highlighting his nomination for LifeChanger of the Year.

One of our Lower and Middle School classes have participated in experiential field trips outside of the classroom:

- Second grade visited the Hoboken Historical Museum
- Eighth grade participated in a "Dia de los Muertos" workshop in New York City with the ninth graders
- Kindergarten visited the Hoboken Fire Department
- Eighth grade participated in a Revolutionary War walking tour in New York City
- The first and second grades visited Turtleback Zoo
- Fifth and sixth grade students in the engineering elective is visiting the "Canstruction" exhibit in New York City
- Girls Who Code visited Estee Lauder in New York City
- Girls Who Code visited LittleBits
- The third and fourth grades visited Lincoln Center
- Fifth grade visited the Museum of Math in New York City

Student Suspensions

- One Upper School student has been suspended for 4 days for infraction # 2, 3, 11, 17, 27 of the Code of Student Conduct.
- One Upper School student has been suspended for 2 days for infraction # 10 of the Code of Student Conduct.

- One Upper School student has been suspended for 2 days for infraction # 10 of the Code of Student Conduct.
