Executive Director's Report

On January 31st, HCS Kindergarten through 12th grade students participated in a celebration of peace and justice in honor of Dr. Martin Luther King, Jr. Speakers from the lower, middle and upper schools shared their hopes for the future and Mayor Ravi Bhalla shared an inspirational speech with our students. This event followed classroom activities across all grades in which students studied human rights and activists who have fought for change. Additionally in preparation, 9-12 students had opportunities to work with K-4 students to discuss what they have been learning in class and to collaboratively create signage for the event.

Upper School Report

During the month of January, the Upper School's GenerationOn Club held a clothing drive. Students collected hats, mittens, gloves, jackets, and socks for the homeless.

As part of their Social Justice classwork, the Upper School's 11th and 12th grade students attended a showing of "Rhapsody in Black" at Kean University. "Rhapsody in Black" is a one man show that explores Leland's personal journey to understand and eventually transcend racism in America. At the end of the show, our students had an opportunity to meet the cast for an informal "question and answer" session.

On January 31st, Mr. Gregory and Ms. Addona took 23 of our Upper School students to the New Amsterdam Theatre on Broadway for an experience of a lifetime. Our students participated in a "Disney on Broadway" workshop. This workshop allowed our students to step into the shoes of a director, choreographer, and music director. Our students learned key skills of storytelling and theater making and then, working in small groups, staged a portion of the show and made famous moments of a Broadway musical their own! Through the process, they experimented with communication, collaboration, and leadership techniques. Led by Disney

Teaching Artists, this workshop gave our students the opportunity to explore all aspects of theater from performance to behind the scenes. Special thanks to Mr. Gregory's wife who helped arrange this special, once-in-a lifetime event for our students.

Lower School/Middle School Administrative Reports

On Friday, January 19, the Lower and Middle School peer mentoring program had its first meeting. Students met their mentors and mentees and had lunch with them in the multi-purpose room. Students then played ice breaker games to get to know one another.

HCS was represented by one of our fourth grade students on Saturday, February 3 in the Hudson County Spelling Bee.

Several of our Lower and Middle School classes have participated in experiential field trips outside of the classroom:

- The third and fourth grade visited the United Nations
- The seventh grade visited the Metropolitan Museum of Art
