#### **Roll Call**

TRUSTEE	PRESENT	ABSENT
John Berger		
Lauren Calmas		
Lisa McIntyre		
Christine Sheedy		
Mark Silberberg		
Joy Wheeler		
Amanda Grant		

Deirdra Grode, Executive Director

Michael Falkowski, Business Administrator/Board Secretary

### **Reading of the Open Public Meeting Statement**

The New Jersey Open Public Meeting law was enacted to ensure the right of the public to have advance notice and to attend the meetings of public bodies at which any business affecting their interests is discussed and acted upon. This is a public meeting of the Board of Trustees of the Hoboken Charter School. At the public meeting action will be taken on a variety of motions.

In accordance with the requirements of the Sunshine Law, the meeting was announced on June 13, 2019 at City Hall and the City Clerk's Office on Washington Street and by advertisement in the *Hoboken Reporter* and the *Jersey Journal*.

### **Approve Minutes**

Minutes of the previous public Board meetings held September 17, 2019 are available for review and/or correction and approval.

I move that the minutes of the Hoboken Board of Trustees Meeting on September 17, 2019 be approved.

Moved by \_\_\_\_\_ Seconded by \_\_\_\_\_

Action taken \_\_\_\_\_

### **Public comment/questions on agenda items for the meeting**

A 15 minute period of time is provided for the public to ask questions on agenda items or make statements to the Board of Trustees. If there are many speakers, the chair will ask for a 3 minute speaking limit per speaker. The Board may extend the public comment portion by motion if necessary.

- November 27 – 1:00 p.m. dismissal. No after school activities.
- November 28-29 – School closed for the Thanksgiving Break

#### **K-12 Report**

In support of Hoboken Charter School's priority to better articulate and communicate our mission with all stakeholders this year, HCS administration led sessions for families about the school's mission and foci of social justice, service-learning and learner- centered education with examples of what these practices look like across the divisions at Back to School Night events last month. The HCS Mission and Integration Team created universal definitions of HCS core principles, shared these definitions with the K-12 faculty and led a planning session with teachers around classroom, division and schoolwide communication around this work to ensure all of our stakeholders are working with a common understanding of our mission. In addition, 5-12 teachers have been meeting to plan for cross-divisional educational and mission-aligned experiences as well as curriculum alignment in preparation for the 2020-2021 unified campus.

In May 2019, HCS requested to the New Jersey Department of Education an amendment to its charter to authorize a 3:1 application weight to economically disadvantaged students applying to the K-8 program. New Jersey's Commissioner of Education has approved our request starting with the January 2020 lottery. HCS has amended its applications and is conducting outreach around this change.

#### **Lower/Middle School Report**

On September 23-24, the Middle School participated in an overnight teambuilding experience at the YMCA Camp Mason in Hardwick Township, NJ. Students were placed in multi-age groups and participated in a variety of activities to support teambuilding and relationships between students and staff. Eleven K-8 staff members attended the trip. We are conducting surveys of staff, students and families to see if we will be continuing this trip in future years.

Several of our Lower and Middle School classes have participated in experiential field trips outside of the classroom:

## **A K – 12 SERVICE LEARNING SCHOOL**

- The kindergarten and first grade classes visited Wightman Farms as a part of their work on the plant life cycle
- Seventh and eighth grade students in the Future City elective visited the Newtown Creek Waste Water Treatment Plant to learn about this year's theme, "Clean Water: Tap Into Tomorrow."
- The eighth grade visited Pier 40 to visit an oyster patch that is a part of the Billion Oyster Project

### **Upper School Report**

Learner Centered opportunities are important to the Upper School course offerings. Juniors and Seniors have the option to apply for Independent Studies as well as Dual Credit Classes through local colleges. Five students were approved for Independent Studies- in Japanese, Composition, Fashion Design, and Anatomy. The students work with staff mentors to develop a curriculum around their passion that is both challenging and engaging. The two Fashion Design students, for example, were recently able to visit the Fashion Institute of Technology and meet with an expert in the industry as they work to understand the business and craft of fashion design.

Eight other students are taking courses at local colleges and have been approved to receive dual high school credit, allowing them the time in their schedule to attend and/or work on the class. These students must reach certain criteria to be approved for the course and further requirements to receive credit for the course. Students are taking Elementary Education through Fairleigh Dickinson University, Speech and Public Speaking through Hudson County Community College, and Intro Programming as well as College Biology through St. Peters University. These colleges partner with us to make these courses available and affordable for students.

On September 24<sup>th</sup>, a group of Juniors and Seniors were invited to attend The Business of Show Business with UNIDOS, the Hispanic/Latinx Employee Resource Group at Disney Theatrical Group. The students received a backstage tour, took a musical theater workshop, and participated in activities with Hispanic/Latinx members of the DTG team to learn about the career paths available in theater.

On Wednesday, October 2<sup>nd</sup>, a number of students, parents and staff were able to attend PIPELINE at Mile Square Theater. PIPELINE is a play by Dominique Morisseau described as "A powerful look at class and race in American education." This opportunity was made possible by a family in the school who attended the play and was moved to donate tickets. Student comments afterwards included "I left with more questions than I started," "I want to thank you, I'm glad I went," and "The play was so powerful." The art of theater always makes an impression on students and we are so grateful that they could be a part of this important work here in Hoboken.

On Friday, October 4<sup>th</sup>, the Upper School was visited by 40 volunteers from Ernst & Young. As a component of their corporate Connect Day, they brought a Junior Achievement curriculum to us called "Be Entrepreneurial." Students spent the day in small groups working to learn about business development and other College and Career topics.

We have participated in outreach events to Middle Schoolers at Soaring Heights Charter School, Golden Door Charter School, Jersey City Community Charter School, and The Ethical Community Charter School. We are scheduled to attend events at HOLA and Elysian Charter School in the next two weeks. October 10<sup>th</sup>, we hosted an Open House for prospective families complete with demonstration lessons and a student panel.

## **A K – 12 SERVICE LEARNING SCHOOL**

Our Girls Volleyball Team is currently on a winning streak with a record of 6-1. The team is hosting a “PinkOut” at the next home game, October 17<sup>th</sup>, to raise money for Breast Cancer awareness in memory of a teammate’s mother.

The Upper School utilized advisory periods to spend time discussing topics important to Start with Hello Week and the Week of Respect.
