**9. Executive Director's School Report**

US Robotics students taught the Kindergarten class about problem-solving through engineering their own leprechaun traps. The Middle and Upper School Robotics teams also hosted a mini scrimmage in preparation for states with Clutch Squad from McNair high school and team Fire from Livingston High School.

## **10. Lower/Middle School Report**

March is Women's History Month where we commemorate and celebrate the vital role of women in American history. Students learn about heroes whose achievements have impacted their own lives. An example from kindergarten, where students celebrated women who are important to them after listening to *She Persisted: 13 Women Who Changed the World*. They were particularly inspired by the stories of Harriet Tubman, Helen Keller, Maria Tallchief and Ruby Bridges.

On Friday, March 3 the fourth graders held their beginner band concert. Students played together as a band and in duets. Congrats to the class and Mr. G for a wonderful concert!

Internationally recognized professional pianist Albert Cano Smit has performed at Carnegie Hall, Merkin Concert Hall, Paris' Foundation Louis Vuitton (streamed live globally), the Kennedy Center, Xiamen's Banlam Grand Theater and now Hoboken Charter School. We are grateful to him for this animated performance he put on and to Mr. Gavarny and the Young Concert Artists for creating this opportunity for HCS students.

The Debate Mission Lab visited the NJ State House and Museum on Wednesday, March 8 for their Make A Bill program.

Congratulations to the Middle School boys basketball team on their overtime win against HoLa on Monday, March 13 in the city championship game. A huge thank you to the HCS community for coming out and showing their support and to their coaches Bryan Kelly and Matt Guiney for a great season!

Interage mission-reinforcing courses are a valuable piece of our middle school program through cross-age Mission Labs as well as Enrichment and Artsbridge electives. Students choose from a variety of exciting classes culminating in presentations for their community. Courses that just wrapped up this trimester included: Debate I: Skills, Debate II: Tournaments, *Six (the Musical)*, STEM Showcase, Podcasting, Conspiracy Theories and Ethics, Green Bosses, Challenge Math, Documentary Filmmaking, Sustainable Fashion, Duolingo (where students learned Latin, French, German, Italian, Hindi or Japanese), Sculpture, Literary Magazine, Build It!, Fashion Design, Promotional Marketing, Typing, Mixed Media Arts, Sokolow Dance, Indian Dance, Guitar, Music Tech and Art Explorations.

## **11. Upper School Report**

The Upper School had a successful Open House at the beginning of March. Prospective students and families were able to participate in demo classes on Modern Indigenous Issues and Environmental Justice as well as meet with a large panel of volunteer student ambassadors who came to share all about their experience at HCS!

All Juniors took the NJ Graduation Proficiency Assessment this month, a new requirement for graduation in NJ.

Staff wrapped up a multi session Mental Health First Aid training from the National Council for Mental Well Being. This provided teachers with more tools for supporting students both in crisis and as a preventative measure.

Visiting artist, Quilan Arnold, is doing a series of dance workshops derived from the African-American canon with our Dance Expression class. Mr. Arnold is best known for bringing a new level of street/ club dance pedagogy to students across the nation.

The LatinX Studies and Oral Language and Media Literacy Lab electives visited El Museo del Barrio. 10th and 11th graders visited the NACAC National College Fair at the NJ Convention Center. The Spanish classes and Exploring Art classes visited the Metropolitan Museum of Art to see Afro-futurist and Divinity in Mayan Art exhibitions.
